Dear Mr. McCone:

Recently, I talked with who is one
of your employees.

advises me that she has received notification

STAT

In talking with ______ I was impressed by her apparent capabilities and the earnestness with which she approaches her work. I am sure she has been a valuable employee in the organization.

that she may be dropped from employment by your agency.

I was also impressed by the fact that ______ is approaching an age at which she might find it difficult to locate satisfactory employment with another agency or with private industry. This causes me concern. It does not seem fair or appropriate that an agency which does not confer status on its employees should release them on the basis of their age. In any event, I hope you will give most careful consideration to ______ and her situation.

Sincerely,

John Sparkman
